## ABOUT US!

Chad Miller and Erica David founded Office, MD in 2027. Located in Los Angeles, their designs focus on the fields of residential architecture, interiors, furniture design, objects, etc. Office, MD balances rigor and research with amusement and curiosity. Their mission is to foster new and unexpected experiences within the built environment. Office, Miller David; Office, Micro Design; Office, Mulletted Dingo; Office, Mega Doodle. The possibilities are endless.
